*Now in a Delicious, Easy-to-Deliver, Chicken Flavored Liquid!*

**Liquid Hepato** contains a standardized extract of milk thistle along with a full complex of B vitamins and alpha lipoic acid in an easy-to-deliver liquid format. The key active ingredients in milk thistle, silymarin and silybinin, increase the uptake of hepatic glutathione and stimulate hepatocyte protein synthesis. The milk thistle used in this formula has been standardized to contain 80% silymarin and 30% silybinin, the highest percentage available in a liver nutritional product.
