Dogs ~60 Soft Chews • Net Wt - 270 grams (9.52 oz)

Amount per 1 Soft Chew:

Whole Hemp Plant Essential Oil 3 mg

Recommended Usage:

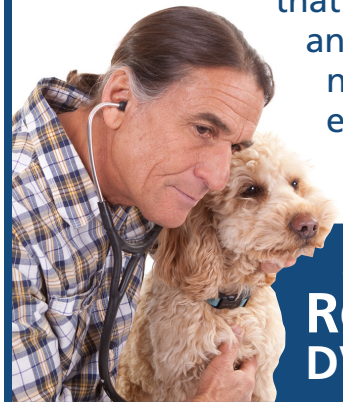

1 chew for each 25 pounds of body weight twice daily or on the recommendation of your veterinarian.

Inactive Ingredients:

Brewers Dried Yeast, Calcium Sulfate Dihydrate, Flaxseed Oil, Glycerin, Gum Arabic, Lecithin, Liver Powder Defatted (porcine), Microcrystalline Cellulose, Natural Bacon Flavor, Natural Mixed Tocopherols, Pectin (citrus), Sodium Alginate, Sodium Propionate, Sorbic Acid, Sweet Potato Organic Powder.

HempRx Soft Chewz contain a standardized percentage of the essential oils derived from organically-grown, whole hemp. HempRx Soft Chewz contain naturally-occurring terpenes, flavonoids and phytocannabinoids. They are gluten and grain free, and very tasty to both dogs and cats, making them very easy to administer.

HempRx Soft Chewz are manufactured to very high quality standards. We understand that licensed professional veterinarians require a higher standard of quality and potency. RxVitamins has always strived to satisfy the clinical nutraceutical needs of our many veterinary clients by supplying an entire product range that is both pure and potent. HempRx Soft Chewz live up to our reputation for high quality nutraceuticals.
